

STAR GAZETTE BUSINESS BITS — APRIL, 2024

April Meeting: Friday April 12, 7:30 P.M.

April's meeting is dedicated to the Great American Eclipse of 2024. If you see it, be sure to bring photos and stories to share. If you were stuck at home, or clouded out, we'll share sad stories, too. Meeting details: <https://www.skokievalleyastronomers.org/meetings.htm#m20240412>

Comet

Comet 12/P Pons-Brooks may brighten to naked-eye visibility in April and May. You can check its position at Sky Live: <https://theskylive.com/where-is-12p>
